Re : WALCOREN 97P100 PREMIUM PLUS

Sir,

Thank-you for submitting to us the formula for your input named **WALCOREN 97P100 PREMIUM PLUS**.

Ecocert Canada has reviewed the declared formula for **WALCOREN 97P100 PREMIUM PLUS** against the *Permitted Substances Lists* of the *National Standard of Canada on Organic Production Systems* (CAN/CGSB 32.310-2006 and CAN/CGSB 32.311-2006).

We have verified that all the declared ingredients appear on the *Permitted Substances Lists* mentioned above: *PSL Canada*, section 6.4.

We have also verified that the declared processes used in the manufacture of **WALCOREN 97P100 PREMIUM PLUS** (and its ingredients) are compliant with section 1.4.1. of CAN/CGSB-32.310-2006.

We have received a signed contract from your company, Walcovit Inc., in which you declare that all products marketed as **WALCOREN 97P100 PREMIUM PLUS** are made according to the formula provided to Ecocert Canada. The contract was signed by Michel Parnaud on February 28th 2013.

Yours truly,

Nicolas Savard
Certification Officer
